

OPENHOUSE

CREATE IMPACT

WITH MGI DIGITAL TECHNOLOGY

JOIN PHS FOR A TIME OF **LEARNING AND INSPIRATION.**

July 16, 4 - 8pm or July 17, 9am - 4pm
Paper Handling Solutions 870 Highway 54 East | Fayetteville, GA

The award-winning MGI line offers commercial printers and graphic communicators the newest advances in digital print enhancement and decorative finishing to create high-value print experiences.

Variable data foil? Not a problem! Custom UV varnishes with raised textures? Of course!

Our team will demonstrate how Digital Decorating with Spot Coatings and Foils adds value and profit to production print projects with a wide range of new special effects applications.

REFRESHMENTS AND APPETIZERS SERVED THROUGHOUT THE EVENT.

SEATING IS LIMITED FOR THIS EXCLUSIVE EVENT SO RSVP TODAY!

Contact April Smith at asmith@phsg2.com to RSVP or request an agenda.
